I will send out an invitation that will include our travel time to George Mason University and back, but the understanding is that the tour is planned to last an hour starting at 10:00 AM.

Thank you,

Ksenija

Excellent! I am confirming July 6th for the tour. Which is the better time, mid-AM or early-PM, and how much time should we plan for the tour?

Thank you, we are looking forward to the tour,

Update:

We plan to start the infill at George Mason on the 5th, so the 6th might be a good day to visit.

Thank you. I have sent you an invitation for a ½ hour call tomorrow at 8:30 AM EST (I don't expect the call to be as long, but just in case).

Thank you.

It isn't a product that we've sold / installed, but I'm more than happy to discuss.

8:30 AM would be best for me.

Hi Darren,

We noticed that FieldTurf carries FlameGuard infill pellets, the fire-retardant product that can be added as a top dressing layer to any FieldTurf system, <http://www.fieldturf.com/en/artificial-turf/artificial-turf-news/fieldturf-launches-fire-retardant-infill-and-fiber-synthetic-turf-component>. We were curious about the potential application of this product with tire crumb. Would you be available for a quick call:
